The 2008/2009 school year has gotten off to a tremendous beginning. The year has begun with 144 students, which makes for a very full house. Please be mindful of this when picking up and dropping off your children. The more careful we can all be, the safer the environment becomes.

We have had some confusion regarding the length of girls dresses and skirts. Here is the standard we will go by: The dress or skirt must come to the middle of the knee or below. If the dress or skirt comes to the top of the knee, it is too short. A basic rule of thumb will be to ask your daughter to kneel on the floor and if the dress or skirt touches the floor, you are all set. If it does not touch the floor, the dress or skirt is too short.

Picture Day will be changed to Tuesday, September 30. More information will be forthcoming regarding packages and pricing.

Our annual Fall Frolic will be held on October 3rd. This great time of fun and fellowship will be from 1-2:30 PM. I would encourage each parent to come and observe the proceedings on the field.

Grandparents Day will be Friday, October 17th. The schedule that day will be a little different than in years past in an effort to make things run smoothly with so many students. Stay tuned for more details. Make sure to make sure your children's Grandparents or Special Friends are notified of this great day.
