Warrior Broadcast

I have two calendar changes to report to you.

The Fall Frolic that was scheduled for October 2, will be moved to a date to be determined in the spring. Most felt it worked better at that time of the year.

Due to some budget cuts, WBCS will not be sending our staff to the annual Teacher's convention. We will be having a one-day staff event on Friday, November 13, 2009. This means we will be having a regular day of classes on Thursday, November 12. There will be no school on Friday, November 13, as already planned on the calendar.

Picture day is scheduled for Monday, September 21st. You will receive an order form within the next week.

As we begin the school year, please remember to be prompt in your tuition payments. We rely on these payments each month to be able to pay our teachers and they work far to hard educating your children to have to go without a paycheck.

I will be attending a Legislative conference in Washington D.C. next Monday, Tuesday and Wednesday. If you have problems or concerns during that time, please contact your child's teacher or Pastor Dave Johnson.

Please let your child's grandparent know about our Grandparent's Day on Friday, October 16. More information will be forthcoming.
